

The Easiest Way to Furnish Any Space

*The GSA National
Furniture Center*

The National Furniture Center Services Menu:

What you get from the National Furniture Center:

- One-stop shopping
- Competitive pricing to meet any budget
- Flexible shipping time
- Expert advice to ensure the best value for your budget and the right products for your needs
- Access to commercial products, services, and new technology, including GREEN ("recycled") furniture and furnishings, floor coverings, window coverings, art work, security cabinets, artificial plants, and storage systems

Contract room designers and product engineers can advise you on ergonomic, comfort, and productivity issues.

Guaranteed Competitive Pricing for Quality Furnishings

With the purchasing power of the entire federal government, the NFC gets most favored customer pricing. Discounts are as high as 75% off suggested retail prices.

From Simple Orders to Complete Turnkey Project Management

Already Have a Product or Supplier in Mind?

No problem. Ask the supplier or manufacturer if they have a GSA contract.

If they do, call us: Ordering through the NFC is easier than ordering yourself!

If they don't, call us: We are always looking for products and product lines to add to our offerings.

**Why contract when you
can order?**

**Why juggle multiple
suppliers when a single
contract will do?**
